# WELCOME TO OUR COMPANY

T & T Consultant helps businesses identify new opportunities, overcome challenges to expand within the region and beyond, and foster strategic collaborations.

We assist our clients in addressing both detailed operational needs and global expansion goals by blending top-tier expertise with local insights. Our macro and micro-level analytics empower businesses to choose the most effective path forward.

We are committed to our long-term goals, including achieving net-zero carbon emissions, fostering equity, diversity, and inclusiveness in our workforce, and contributing to the well-being of the communities in which we operate.

# VISION & MISSION

## Vision

To be the leading consultancy driving sustainable business growth and fostering transformative partnerships globally, while championing environmental responsibility, equity, and community well-being.

## Mission

Our mission is to empower businesses with actionable insights and strategies that accelerate growth, enhance operational efficiency, and enable successful global expansion. We are dedicated to blending global expertise with local insights, ensuring our clients thrive in today's evolving marketplace, while contributing to a sustainable future.

[www.ttconsultant.net](http://www.ttconsultant.net)

1

## INTEGRITY

We uphold the highest standards of honesty and transparency in all our dealings, ensuring our clients receive accurate and trustworthy financial guidance. Our commitment to ethical practices fosters trust and long-term relationships.

2

## EXCELLENCE

We strive for excellence in every service we provide, employing skilled professionals who are dedicated to delivering exceptional results. Our continuous improvement mindset ensures that we stay ahead in industry standards and practices.

3

## CLIENT CENTRIC

Our clients are at the heart of everything we do. We prioritize understanding their unique needs and challenges, providing tailored solutions that drive their financial success. We are dedicated to being responsive and accessible to our clients at all times.

# WHAT DO YOU KNOW ABOUT OUR COMPANY?

T & T Consultant focuses on helping businesses navigate growth, expansion, and strategic collaboration. Your approach emphasizes the balance between operational efficiency and global expansion, supported by a combination of high-level expertise and localized insights. You also prioritize sustainability with goals like achieving net-zero carbon emissions and fostering a diverse, inclusive work environment.

# AUDIT & ASSURANCE

## Financial Statement Audit

T & T Consultant offers high-quality financial statement audits, providing confidence and integrity in financial reporting. With a focus on risk management, internal controls, and fraud detection, our experienced team serves clients across the UAE and the Middle East, ensuring compliance with the highest industry standards.

## In-Country Value (ICV) Program

T & T Consultant helps businesses comply with the In-Country Value (ICV) Program, launched by ADNOC to drive UAE's economic growth. We guide clients in navigating the unified ICV framework, enabling them to maximize their local value contributions and adhere to evolving industry requirements.

## Internal Audit

Our internal audit services improve governance, risk management, and controls, protecting enterprise assets. With a risk-based approach, T & T Consultant serves family-owned businesses and public joint-stock companies (PJSC) across the UAE, helping clients enhance productivity, manage costs, and mitigate organizational risks effectively.

## Advisory Services

T & T Consultant's advisory team delivers tailored solutions for legal compliance, financial reporting, and accounting operations. By aligning with business objectives, we provide precise, innovative solutions that address regulatory obligations and commercial realities, ensuring efficiency and accuracy in financial management.

# TAX CONSULTING SERVICES

## **VAT/Excise Tax**

T & T Consultant offers expert VAT solutions tailored to address each client's unique needs. Serving businesses across Dubai, Sharjah, and Abu Dhabi, our experienced consultants provide comprehensive guidance on current and future VAT concerns, ensuring compliance and efficiency in tax management.

## **Corporate Tax**

T & T Consultant assists businesses in understanding and complying with the UAE's newly introduced Corporate Tax. Our services help organizations adapt to the lowest global tax rates, streamline compliance processes, and ensure proper financial record-keeping while meeting international tax transparency standards.

## **Transfer Pricing**

T & T Consultant provides tax-efficient transfer pricing strategies that ensure compliance with evolving regulations. As tax authorities increase scrutiny on cross-border transactions, our team helps businesses mitigate risks, optimize tax structures, and maintain adherence to global standards.

# ACCOUNTING

## **Accounting & Bookkeeping**

T & T Consultant offers outsourced accounting and bookkeeping services to help businesses maintain accurate financial records without the burden of in-house management. By outsourcing, organizations reduce administrative costs, enhance service continuity, and improve focus, ensuring accurate tracking of income, expenses, and financial statements.

## **Accounts Payable/Receivable Outsourcing**

Our accounts payable/receivable outsourcing services streamline cash flow management, ensuring timely vendor payments and receivables collection. T & T Consultant helps businesses minimize manual tasks, reduce errors, and maintain financial stability, allowing for efficient management of key financial processes and stronger vendor relationships.

# BUSINESS CONSULTANCY SERVICES

## **Mainland/Freezone Company Formation**

T & T Consultant simplifies company formation in the UAE, helping businesses establish operations on the mainland or in free zones. Our expertise ensures seamless setup, providing access to larger markets for mainland companies and 100% foreign ownership in free zones, fostering economic growth and international investment.

## **Liquidation/Deregistration**

T & T Consultant offers comprehensive liquidation services, guiding companies through the complex process of deregistration in the UAE mainland. From license cancellations to regulatory compliance, we ensure a smooth and hassle-free winding-up procedure, helping businesses efficiently conclude their operations.

## **Offshore Company Formation**

T & T Consultant provides expert guidance on offshore company formation in Dubai, leveraging the emirate's tax-free advantages. We offer comprehensive support to investors looking to capitalize on offshore jurisdictions, ensuring efficient and compliant setup to maximize tax savings and business growth.

## **Tax Residency Certification**

T & T Consultant assists businesses in obtaining a UAE Tax Residency Certificate (TRC), which helps alleviate the burden of double taxation. Eligible companies operating for over a year can benefit from the UAE's double taxation treaties, securing tax advantages in international trade.

# AML/CFT COMPLIANCE SERVICES

## **AML/CFT Policies & Procedures**

T & T Consultant offers tailored AML/CFT compliance solutions to help businesses navigate complex regulations on anti-money laundering and counter-terrorism financing. Our expert team develops robust compliance frameworks, ensuring companies stay ahead of regulatory changes, mitigate risks, and protect their reputation while adhering to UAE financial laws.

## **AML/CFT AUP Audit**

T & T Consultant provides specialized AML/CFT audit services, ensuring businesses meet regulatory standards for anti-money laundering and terrorism financing prevention. Our experienced professionals deliver comprehensive audits, tailored to each client's needs, helping companies maintain compliance, reduce risks, and safeguard their operations.
